Hello everyone and happy new year. I hope this email finds you and yours in good health and happiness. In anticipation of the spring football season, the E board has put together a schedule of meetings so that we can prepare like any other season. Having taken the fall off from meetings it will only benefit us to do our best to get together and talk football with it fresh on our minds, on zoom of course since that is the way of the world as of right now. I'm sure you all are eager to get back on the field and work the game you love (I know I am). All meetings at this time will be via Zoom and will start at 7:00 pm.

Please feel free to reach out to any of the E board members if you have any questions or concerns. We understand that it may be difficult with the timing of everything and peoples schedules, but please do your best to make it to as many meetings as possible.

I look forward to getting ready with you all for the upcoming spring season, and hope you all are staying safe and healthy.
