Ladies/Gentlemen:

2016 football season

Couple of things:

First and foremost let me make this perfectly clear - I WILL BE assigning officials for games for the 2016 football season in the following leagues - NESCAC, MASCAC, EFC, NEFC, NEC (JUCO LEAGUE) as well as the following schools - Marist, Army Prep, Alfred State, Alderson Broaddus, Newport News, Coppin State, UMES, Dean College, Springfield, Merchant Marine, WPI, HVCC, and Bridgton Prep. If you here "rumors" to the contrary please disregard them.

If you were on my staff last season then you will be invited back for this up coming season. Crews have been established. I have enough games for everyone on a crew to work a full or close to full schedule. Also, supplemental staff will work near full schedules also.

Assigning fees and clinic fees have not been established - I will announce this sometime in June.

New officials accepted by the EAIFO are eligible to work for me after being observed in a pre-season scrimmage.

There will be two clinics this summer. Dates and locations TBD. Most likely Central Mass area on July 30th and Aug. 6th in the Metro or CT area. More on this at a later date.

I will be holding an information night the last week in May at Framingham University - not mandatory to attend. I will finalize date and time shortly. E-mail me with questions.
