Hi all,

Please share with your ECAC membership.

The CT/Metro Chapter clinic is this coming Saturday July 26th at Fairfield University in Fairfield CT.

We will be on campus, in the Oak Room, within the Barone Center as we have been in the past.

Registration begins at 8:00 a.m. and Bill Ward will begin his presentation starting at 8:30. We will have a weigh in. \$50 clinic fee. Checks made payable to Bill Ward!!!! Cash is acceptable you will get a receipt. This protects both you and the clinic staff.

In order to keep costs down we will only have coffee in the morning, no mini muffins or bagels. Lunch will be served.

Since the ECAC office is now in western CT we MAY HAVE guests at our clinic during the day.....so a GENTLE reminder.....since we are NOT running in the morning, what you wear to the clinic is what you will wear all day. GOLF CASUAL is acceptable. Cutoff jean shorts, beach casual probably ISN'T.

Don't be THAT GUY who looks like he's about to mow the lawn in the back yard.....Bill Ward has shared this CONCERN with me so I'm sharing it with all of you!!

Looking forward to seeing each of you.

If you've read to this point then here's the bonus.....the first quiz question answer is T. Take that to the bank!
