Hi All. Happy New Year. I hope you are all well. As we prepare for our upcoming season I am once again asking each of you to reach back to your high school chapters and actively recruit new members. The need for qualified football officials remains. Our needs are greatest in northern New England and Western Massachusetts and Upstate New York. Building up these areas will help us in many ways but particularly in scheduling regionally. The ability to advance in this avocation has never been greater and we have had excellent success in promoting qualified and dedicated officials. Furthermore, our fees are amongst the best in the country and the venues we work are outstanding.

The Boston chapter test is tentatively scheduled for mid March. Please use the next few weeks to work your contacts and forward the chapter leadership any names of prospective members. Our continued success is contingent on our ability to recruit, train, mentor and promote great officials. Please spend some time in the next few months to help us in that endeavor. Thanks. Ryan
