

IN APPRECIATION

The Family of
**John D.
Codey Jr.**

who passed away on September 11, 2012, would like to express our gratitude to all our wonderful and thoughtful friends for the outpouring of support in an extremely difficult and trying time.

It would be impossible to properly acknowledge and thank individually, the hundreds of people, businesses and organizations that have contributed food, donations, sent Mass cards, notes and letters of condolence, and kept us in their thoughts and prayers.

John was a man with a million friends, who in his memory, have generously continued to support the causes he believed in.

A Special Thanks goes to the Monday Morning Quarterback Club, the Pittsfield Hoop Club, the Jimmy Fund and Hospice of the Berkshires for what they do and who they are.

It is overwhelming and humbling for us to think of all the good that will be done in his name.

Somewhere there is a proud and happy "Parrott", knowing that his passion for helping young people will come to fruition through the generosity of his friends.

We can never thank you enough; you will always be remembered.

Our Love, and Best Wishes.

*Sincerely,
The Codey family*
