

WNE Quiz - August 22, 2017 Meeting

1.) A 2/10 @ B20. Team A trails late in the fourth quarter. The game clock is running. Tackle B77 is in the neutral zone at the snap (no contact). A12 takes the snap, rolls out to his right, and runs to the B-17 where he throws a forward pass which falls incomplete. When the ball is dead the game clock reads 0:15. Clock status?

2.) A 4/10 @ A12. Late in the fourth quarter Team A's punt is blocked and does not cross the neutral zone. A22 recovers at the A-10 and completes a forward pass to eligible A88 who is tackled at the B-40. When the ball is dead the game clock reads 0:06. Clock status?

3.) A 1/10 @ A40. A12 takes the snap and starts on a sweep to his right with guard A66 pulling to lead the play. Linebacker B55 blocks A66 from the side at the thigh at the A-44. A12 is driven out of bounds at the A-48.

4.) A 4/5 @ A30. Punt receiver B22 is in position to catch a punt at the B-30. He does not make a fair catch signal. A88, down field to cover the punt, is within a yard of B22 and off to his side when B22 catches the ball, and there is no contact. B22 is tackled at the B32. The presence of A88 does not cause B22 to making any adjustment of his position or change the manner of catching the ball.

5.) Team A punt is rolling along the ground, A44 legally blocks B33 into the ball. After contact with B33, the bouncing ball then strikes B68 in the leg. A66 recovers while grounded at the B-30.
